## WASHROOMS FIT FOR FIVE-STAR REVIEWS

Campsite and park operators must be confident that taps, showers and water controls are always delivering a great experience for visitors, while meeting critical safety requirements all year round.

Rada is a leading manufacturer of water controls and washroom products for commercial and shared buildings. We know what it takes to deliver washrooms that you can be proud to offer visitors.

**We have 80 years' experience in helping our customers to provide the best facilities for users.**

- **Washrooms to be proud of** with stylish, robust products that offer a great experience and perform exceptionally well under heavy use
- **More efficient, eco-friendly facilities** with functionality that helps save water, carbon and running costs
- **User safety put first** with precise water controls and hygiene measures that safeguard against scalding and infection
- **Peace of mind that your washrooms are always in safe hands** with whole lifecycle costing and a long-term partnership with Rada
- **Safety assured through all seasons** with expert service support to help you remain compliant with industry guidelines all year round and reduce maintenance pressures

“People want the reassurance of a comfortable, clean washroom when camping and touring.

Safe, stylish taps and showers are at the heart of achieving this.”

# DELIVERING THE BEST OUTCOMES

We're already helping campsites across the UK to achieve five-star reviews, with washrooms that keep customers returning.

## SNOWDONIA LAKESIDE CAMPSITE WELCOMING WASHROOMS FOR ADVENTURERS

Popular with sailors and water sports enthusiasts who shower up to three times a day, **Glanllyn Lakeside Caravan and Camping Park** needs its washrooms to stand up to tougher demands than most. Rada digital and mixer showers provide a great experience and are durable enough to meet heavy footfall. The team also provides ongoing specialist maintenance in low season, making sure that facilities are always in ship shape for visitors.

## CASTLE COUNTRY CLUB IN GREAT HEALTH WITH RADA SERVICE SUPPORT

Castle Country Club's busy leisure centre wanted robust showers that are safe and great to use for guests and other visitors who use the facilities. Installed across three changing areas, Rada sense showers are the perfect fit. Preventative maintenance also helps ensure happy customers with downtime minimised.

"With our facilities under near-constant use, we need robust, reliable showers that prioritise safety. We're a private leisure club, so we wanted to make sure our washrooms are aesthetically pleasing too.

The Rada showers deliver all this. Maintenance support from the team every six months means I have more time to carry out additional safety tasks such as nightly duty flushing."

**Colin Pope,**  
Facility Manager, Castle Country Club
