

# RANGE HIGHLIGHTS: NEW SUSTAINABLE STUDENT SHOWER KITS

Our shower fittings range has been designed with healthcare guidelines in mind, offering the highest hygiene standards.

All while making maintenance and cleaning easier for you.

## RADA SF1 60: SINGLE MODE HANDSET

WRAS approved. Complete with removable spray plate and removable silicone nozzle mat.

The **silicone nozzle mat** is easily detachable for cleaning – helping to prevent the build-up of limescale and bacteria. Different colour nozzle mats are available to assist with periodic cleaning regimes.

Rada SF1 60 Handset (8 lit/min) - 77322-CP  
Rada SF1 60 Handset (6 lit/min) - 2.1844.175

Rada SF1 Nozzle Mat Black (Pack 20) - 2.1844.178  
Rada SF1 Nozzle Mat Blue (Pack 20) - 2.1844.179

Rada SF1 Nozzle Mat Red (Pack 20) - 2.1844.180  
Rada SF1 Nozzle Mat Green (Pack 20) - 2.1844.181

## RADA SH1 UK: FIXED SHOWER HEAD

Using the same spray plate as the Rada Handset to facilitate maintenance and reduce parts holding, it features an adjustable head angle and is supplied with an 8 lit/min flow regulator.

Rada SH1 UK - 72966-CP

## RADA FIXED SHOWER HEAD & ARM (6L/M)

Using the same spray plate as the Rada Handset to facilitate maintenance and reduce parts holding, it features an adjustable head angle and is supplied with a 6 lit/min flow regulator.

Rada Fixed Head & Arm (6 L/M) - 1422692

## RADA SF1 70: FIXED HEAD ASSEMBLY ONLY

Single mode. Includes removable spray plate and adjustable head angle. 6 litres / min flow and 8 litres / min flow regulators supplied.

Rada SF1 70 Fixed Head Assy Only (6 L/M) - 2.1844.174  
Rada SF1 70 Fixed Head Assy Only (8 L/M) - 24842-CP

## RANGE HIGHLIGHTS: LEADING WATER CONTROLS FOR STUDENT LIVING

### RADA VZ1 10 BAR VALVE: ENHANCED SAFETY AND A USER-FRIENDLY SHOWERING EXPERIENCE

The Rada VZ1 10 Bar Valve is the ideal valve for multi-residential spaces such as student accommodation. With separate controls for temperature and flow, it delivers a great showering experience even at low pressure. User safety is a priority with TMV2 approved thermostatic control and maximum temperature stop. Rada's innovative Cool Shield™ technology, means the valve never gets hot during showering. The surface mounted chrome plated valve is supplied with Rada's Fast-Fix kit for easy installation while its front of tile installation system enables connection to pipework during second phase fix.

Rada VZ1 10 Bar Valve - 1.1900.050

### RADA V12: SAFE, STYLISH SHOWERING FOR EVERY USER

Our range of robust and stylish shower controls with exposed and concealed valve options. TMV3 certified with insulated technology and simple controls make this safe and easy to use for every user.

Robust design and construction stands up to prolonged use – perfect for university accommodation experiencing heavy footfall.

Rada V12 Exposed - 1.1651.001  
Rada V12 Concealed - 1.1651.002  
Rada V12-130 Exposed (130mm centres) - 1.1651.003

### RADA V10: STRENGTH AND EFFICIENCY FOR OPTIMAL SHOWERING

Small in scale, V10 minimises environmental impact but delivers maximum performance and reliability with contemporary styling. Both concealed and exposed options of Rada V10 are engineered to perform flawlessly under the heaviest use.

Supplied with both 6 lit/min and 9 lit/min flow regulators to provide water management options.

Rada V10 Exposed - 1.1651.004  
Rada V10 Exposed (Adjustable Elbows) - 1.1651.179  
Rada V10 Concealed - 1.1651.005
